

# Exploratory Data Analysis

---

Week 1 - Practical Usage of AI

---

# Agenda

- Simple EDA using ChatGPT
- NotebookLM to read a book
- Colab Code Generation

---

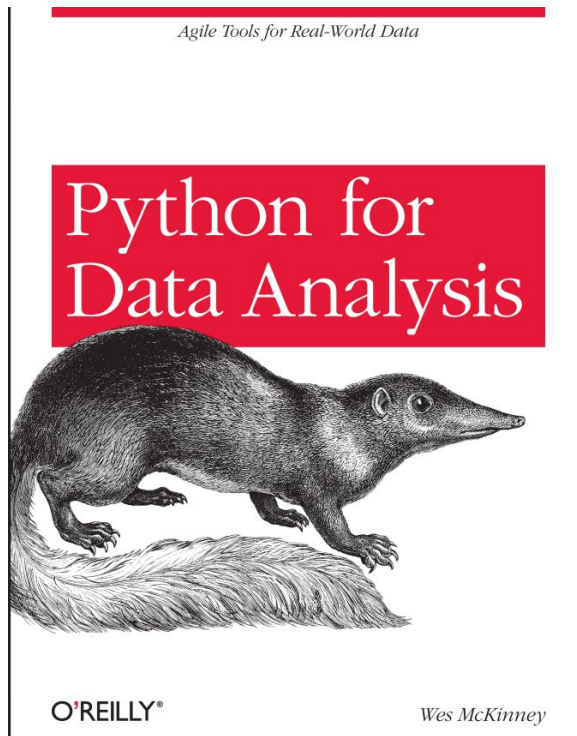

# Simple EDA using ChatGPT

- Using code-interpreter
- Small dataset
- Fast and easy
- No code

---

# NotebookLM to read a book

- Provide your own resources
- E.g: Python for Data Analysis
- [Link to notebooklm](#)

---

# Colab Code Generation

- Describe what you want
- Get generated codes in colab
- More control on codes
- [Week 1 - EDA \[Practical Usage of AI\]](#)
